ACTIVITY DESCRIPTIONS

All sessions depart from Reception and require adult supervision.

Cooking Up A Storm: Using a traditional recipe, measure & mix to create yourself a take home bag of yummy treats. Be careful you might find it so yummy it won't even get home!! (Limit 30. Book at reception. Sessions suitable for primary age – 15y/o children. All children wanting to participate must book a spot)

Reading, 'Riting & 'Rithmatic: Be on your best behaviour as the School Ma'am shows you how to behave in the 1870's Common School. Dress in period costume, role play & use slate boards. Don't misbehave or the School Ma'am might have to get her cane out & you don't want that!

(Age: Primary School. Limit: 30. Book at Reception)

Artistic Carpentry: How good are you with a hammer and nails? Well time to practise driving the nails in straight. Trace a picture of your choice onto a block of wood, maybe a Maremma dog or a penguin, hammer nails in at regular intervals around the outline and then loop coloured wool around the nails to make an awesome picture.

Beautiful Beanies: Make your own distinct and colourful beanie. All you need is some colourful material, scissors and sewing skills to create a beanie you'll be proud to wear.

Amazing Animal Masks: What is your favourite animal? Is it a bunny, maybe an elephant? A monkey? We have a variety of animal mask templates for you to decorate and make into a wonderful mask. Great for imaginative play in the holidays!

Jewellery Making: Come and make something that's gorgeous and unique that will make you stand out from the crowd when you combine it with your latest outfit or fashion ensemble! Great for presents too.

Finger Knitting: In this session learn a new skill that could start you on a new creative path. Even the little ones can learn how to knit with their fingers with an adults help. All it takes is a little dexterity and concentration and in no time the children will be knitting away and creating beautiful colourful creations.

Pen and Ink: Come along and learn how to use an old-fashioned nib pen and ink to do your best writing. Think you can make some curls and flourishes without making a blot? Be sure to wear old clothes, as ink can stain!

(Age: Primary School. Limit: 30. Book at Reception)

Triton Woodworkers: fun and easy woodwork activities for the kids. Choose from a wide selection of pre-made kits to build. With a friendly team of helpers on hand. D.I.Y has never been this much fun. From Saturday 21st September to Sunday 6th October.

Meet the Maremmas: is a fun, educational and interactive experience running Mondays to Thursdays at 10am during the spring school holidays. Learn about the Little Penguins living on Middle Island in Warrnambool and how the dogs protect them from predators.

Time Travel Tour with the Jolly Lighthouse Keeper:

Have you ever wanted to time travel? Well here is your opportunity! On Wednesday 25 Sept & Wednesday 2 Oct children will join their time travelling Lighthouse Keeper on a magical journey back to the early 1900s. Follow the guide who will take you down into Flagstaff Hill where you can explore the village, meeting shopkeepers, garrison soldiers, a blacksmith and more. Each child will need to solve a mystery which they will do with the help of those that they meet on their adventure.
